

## **BBS Costume Policy 2019**

When representing BBS all members must display a valid membership badge and be wearing the correct costume. Costume is as follows with a valid membership badge:

- **1<sup>st</sup> Pioneers:** Japanese warriors & geishas.
- **2<sup>nd</sup> Pioneers:** Victorian gentlemen and ladies.
- **Smugglers:** red and black knitted Guernsey (NOT rugby shirt), white jeans or trousers (NO other colour), red spotted scarf and belt. Tankards, hats, pouches and obscured faces are always a welcome addition. Knitting instructions available in “files” on the Facebook page.

Pioneers are preferred over smugglers and a general black and red theme is encouraged. Smugglers will be expected to work on the night.

We would love to see more people in all costumes attending our costume competition in the Village Hall at 5pm on our night.

Sturdy footwear is encouraged and all costumes must be fireproof.

BBS reserves the right to refuse participation if costumes are not appropriate. As detailed in the membership rules.

Smugglers jumpers can be ordered until the end of August 2018 for £38. Please get in touch with your size.
